Additional Information

Open House – Plan to join us on the mountaintop for the Annual Open House on Sunday, April 29, 1:00-3:00 PM at Cheerio Adventures and 2:00-4:00PM at Camp Cheerio traditional camp. You may tour camp, meet some of the Cheerio staff and have your questions answered. The Open House is especially helpful for first time campers.

Cell Phone, iTouch, etc. – NO CELL PHONES ARE ALLOWED. Please do not bring cell phones, iPhones, iTouches, etc. to camp. We strive to make camp a unique experience for campers and being able to communicate with the "outside world" can hinder our efforts. Your child's time at camp will be enhanced without these items, allowing them to fully invest themselves in making friends at camp and in all of the activities Cheerio has to offer. If cell phones, etc. are found at camp, we will hold them until closing day. If you child uses a cell phone for taking photos, please find another option. We do allow mp3 players to be played during rest period or at the pool. If your child's mp3 player is their phone, please find another option. These items are in no way a necessity at camp. Please call our office if you need clarification on any of this information.

Arrival - Arrive at **Cheerio Adventures** (in Virginia) on opening day between 2:00 – 3:00 PM. If someone other than a parent/guardian is to pick up your child, written permission (form located online) is required from the parent/guardian. Permission may be brought on opening day.

Departure – Campers attending sessions: Extreme 1, 2, 3, 4 must be picked up between 8:30-10:00 AM on Saturday, from **Camp Cheerio** on closing day. If you child is attending Extreme 5, pick up is from 1:00-2:30 PM on Friday. If someone other than a parent/guardian is to pick up your child, written permission (form located online) is required from the parent/guardian. Permission may be brought on opening day.

Airport Pick Up/Drop Off – (form located online) No transportation is provided to or from Camp Cheerio except for airport pick up or drop off. The business office needs arrangements with payment (form located online) at least two weeks prior to session enrolled. **ONLY** Piedmont Triad International Airport in Greensboro, NC (GSO) is the airport of pick up and drop off. Flights must arrive and depart between 9:00 AM - 12:00 PM. Fee is \$60 for one way and \$70 for both ways. The person picking up your child will have a photo I.D. and will be wearing a shirt identifying them as a staff of Cheerio Adventures. Your child will then be transported to camp in a camp vehicle. While in the vehicle all participants are required to remain seated, wear a seat belt and follow the instructions of the driver. Parents are alerted to changes or emergencies regarding transportation by immediate phone contact. In the event a parent is not reached, a detailed phone message will be left giving instructions for the parent to reach either the driver or other full time camp staff. In the event of any changes in transportation those transporting shall alert the camp director. Please be sure your child has a Photo ID

Spending Money - It is recommended \$50 be brought to camp with the camper for the adventure week of Extreme. **Spending money is NOT included** in the camp fee and should not be sent with the fee. Extreme campers only need money for the first week (\$25) at adventures and for the weekend (\$25) to go out to eat and see a movie. Campers are responsible for their money. Campers are counseled at the beginning of the session on how to spend their money wisely. Please do not send a check with your child.

Medical Policy – All trip leaders with Cheerio Adventures are certified in Wilderness First Aid, CPR and carry first aid kits at all times. Camp Cheerio has a well-trained medical staff present during your child's stay at camp. Children requiring additional attention will be taken to Alleghany Family Practice in Sparta, NC. If a child is taken to the doctor, experiences a fever of 101 or above, needs to spend the night in the camp infirmary, or is given a prescription, parents of the child will be notified. Emergency situations are taken to Alleghany Memorial Hospital in Sparta or Hugh Chatham Memorial Hospital in Elkin, NC.

Refrigerated Medications – during the adventure week of Extreme, campers are often away from availability of refrigeration for medications. Options should be considered with your doctor.

Cabins/Bunk Assignments –

- Cheerio Adventures - Campers stay in either platform tents or cabins. Each group has two, one for the girls and one for the boys. The trip leaders stay with the participants. The facility has a bathhouse with hot showers, toilets, and sinks.
- Camp Cheerio - Bunks will be assigned by counselors. There will not be an opportunity to “save” bunks. Every effort will be made to put cabin mate requests in close proximity to each other. Please see the Confidential Form if your child needs a bottom bunk for medical or emotional situations. Cabin assignments will be mailed one week prior to session attending.

Activities –

- Cheerio Adventures- Backpacking, rock climbing, rappelling, caving, canoeing/kayaking, rafting, and on-camp activities including mudslide, inner tubing, games and more.
- Camp Cheerio - Swimming, canoeing, kayaking, riflery, golf, skeet shooting, archery, soccer, cheerleading, arts and crafts, tumbling, tennis, athletics, English and Western horseback riding, nature study, model rocketry, plus more. Campers select eight activities, four each day, meeting every other day for one hour. On opening day, counselors assist campers in class selection. Each child selects twelve choices for activities, and eight activities are scheduled. Most class sizes are limited for instructional and safety reasons. All campers may take horseback riding, swimming and climbing.

Last Night Ceremony –

- Cheerio Adventures – The last night at Cheerio Adventures is a reflection on the group's week together. During the closing ceremony, campers will receive an award representing their achievements at camp.
- Camp Cheerio - The last night closing ceremony is based on a Native American tradition. Please bring anything relating to Native Americans (costume, head dress, etc.) to camp with you. It is not necessary to have elaborate dress for this theme - one simple feather works well.

How to Get Ready For Summer-

Things you can do before camp, which will make an easier and more enjoyable trip are:

- 1) Walk in the boots or trail shoes you plan to use for backpacking. If your boots are broken in before you come to camp, blisters may be prevented on the trail.
- 2) Being in reasonable shape will help ensure an enjoyable trip. Get used to using those leg muscles. Start an exercise program a couple of months before your session. This can be walking, jogging or riding your bike 3-4 times a week, or getting involved in an organized sport.
